## Chris J. McGrath

Legge, Farrow, Kimmitt, McGrath & Brown, L.L.P. is sad to report that Chris McGrath passed away unexpectedly on August 12, 2009 at the age of 49. Chris, a founding partner of the firm that bears his name, practiced law in the state and federal courts of Texas since 1988. Prior to admission to the bar, Chris graduated from the State University of New York Maritime College at Fort Schuyler and sailed as a deck officer on vessels conducting marine seismic surveys throughout the world. Chris continued his education by obtaining a J.D. from Tulane University School of Law, with an emphasis in maritime law.

Chris served as managing partner of the firm in 2003. His keen intellect, superior advocacy, remarkable memory and overwhelming generosity were apparent to all of us who had the good fortune to work with Chris. A generation of good lawyers has enjoyed the benefit of learning from his insight and guidance in maritime law.

Chris leaves behind his loving spouse, Michelle, and their children Corinne, Collin and Lauren. We will forever miss our respected colleague and cherish the memories of the good times that we shared.
